Rochelle worked late last night and she and Lil will meet this morning to do a final polish. Can you wait a couple of hours?

Great. Thanks! And when someone has a moment, could I see the BE? Not to make any changes, just out of curiosity. Thanks!

In case Rochelle did not send these last night, here are the finals. She made a minor change to the versions attached to the email below.

Hi guys, I am buried but wanted to make sure I'm tracking this. Are these the final versions we're going with?

Here are the new versions of both letters. I accepted the tiny changes (commas and the like), but left the sentences we've been discussing in track changes. Rochelle and I got on the phone and worked out a version that we think works. Hope you like it Hanh 😊

Ready to go, I think!
